Dear Dr. Finkelson,

Your book, *How to Find Chinese Investors, Agents & Clients for Your EB-5 Projects & Services*, is a must for entrepreneurs considering forming Regional Centers as well as new Regional Centers that need to be in the China to connect with agents in order to be successful reaching potential investors. It is also a very valuable source for immigration attorneys and EB-5 investors to understand the Chinese agency and investor market. Most important, it is an easy and interesting read, even for someone who has been in the EB-5 business for many years. I wholeheartedly recommend this book.

Best regards,

Mark A. Ivener
